it’s a double

Samantha South wants cock. No, make that two cocks.

I'm a theater major and have a different personality when I'm on stage or in front of the cameras. I think a different personality comes out. One that is more unafraid, confident, experimental. In my normal life I have trouble just fucking one man, but in front of these cameras, I'm a wild wanton woman.

love my man

"Holly loves fucking Troy."

And he loves to fuck me. The only hardcore scenes we do, we do together. One of the best things about that is we are quite adventurous. I'm comfortable doing anything with him and for him. Our passion grows every time we fuck, and we love to fuck a lot. Another great perk of this is that we spend a lot of time together and make money doing it. What could be better? You tell me.

make your own sex tape

it goes like this...

Dear Editors:

Many of my friends have asked me how to make a sexy video and put it up on the internet for our other friends to see. My boyfriend and I are exhibitionists and we've been uploading our clips on the web for about six months now. We've posted about twenty of our own amateur vids and we're kinda proud of them. Most of them are various hand job and blow job scenes. These types of scenes are easy to shoot. I think I give really good head so that shows in the clips, and my man has a huge, beautiful cock that I want to share, at least on video.

Having sex is second nature to us and making the video is quite a simple process: First,we come up with some inventive or unusual sex acts or positions. Anyone can shoot a straight fuck or bj. It's how you make it special that will draw internet audiences. With so much sex available on the web, yours has to stand out. For example, I push him down into a chair and he's naked. I place myself between his legs and as he points his camcorder down at me, I use my hands and mouth on his cock and balls.

This sounds pretty tame, but that's where you have to spice it up. Start with stuff you've already seen, like chocolate syrup or whipped cream on his cock and begin to think of kinkier things, like chili, or slap his cock around. Be sure to get that money shot. My man has huge ejaculations and we want to be sure to capture every drop that cums out.

Case in point: I've started inserting my finger or a dildo into his butthole and his cum has nearly doubled in volume. His orgasms have practically doubled in length and in strength. It wasn't something we planned. It was a spur of the moment thing that I suggested and he, reluctantly, agreed. Now he loves it and it's not only a part of our videos

How cool is it to have a men's magazine devoted entirely to what makes this country great – it's women! We can give a lot of credit to the founding fathers, but without some pussy to come home to at night, we'd still be eating crumpets and drinking tea at four. Check us out.

more of...

what makes this country great

but our regular sex life, too.

I've also noticed that my boyfriend can get rock hard again after he cums and we rest for a few minutes. Then I'll stick something a bit bigger in and he easily gets it up a second time! I can always look forward to more great sex ending with another huge wad that's just as strong as his first. We try to capture every orgasm and drop of cum in the videos.

To keep the interest going, I let him choose where he wants to unload his hot stream. Sometimes he fills my hands or my face ass, or spews on top of my pussy with it. His orgasms are so strong I can actually feel his cock jump and twitch, whether he's pumping my ass or jamming my pussy. It's the most amazing feeling; his strong orgasms trigger my own gushers and we're able to cum simultaneously. Ladies and gents, trust me, your lady will love you more than she already does and you'll find she wants to do things to you that you never dreamed of!

Now for the technical stuff. First, begin with lighting and mood. Be sure you have good audio so all your grunts, squeals and screams are clear. Sex is almost as much aural as anything else. Get to know your camera and use the settings properly. You don't have to go HD, so get a good little camera and it will serve you right.

Spend a little money on editing software. Many computers now come with it. And be sure to cut a soft version teaser of your sex scene. Find out about video formats and conversion rates for the web so your video file is not too large. And finally, find out how to upload the videos to the sites of your choice. YouTube is relatively easy to set up your own channel, but they don't allow hardcore. There are plenty of adult clips sites with different specs and fees.

Now you girls go out there and make a sex tape. Look what it did for Pam and Kim.

Magda, Tuscon

To the editors,

I just want to tell you of a girl I dated back in the day, a real freak. This girl was always up for something wild – blowjobs in elevators, handjobs at the movies, fucking in the library, toy play, you name it. She had the best big funbags, topped with perfect, luscious, suckable nipples, the kind you get so caught up in you almost forget the girl has a pussy. Can you say "motorboat?" I loved to oil up those tits of and slip and slide my rock hard cock between them, with her mashing them together around it until I blow my load all over em.

Little gets me hotter than watching a girl fingering her pussy. I'd watch her spread her engorged pussy lips for me. I whipped out my cock and stroked away, imagining I was her probing fingers.

"Come here. I've got a surprise for you." She'd push my face down into that wet pussy of hers and I'd dine on her sweet pussy and its delicious nectar. Then I'd lick her clit six ways to Sunday, and after a while shove a few fingers deep inside her. Moaning, she'd grab my head and push it deeper and harder into her. "Fuck me now, Frank," she'd cry, and naturally I'd be all too happy to oblige.

Her mouth would encircle my hardon and she'd suck away like there was no tomorrow. Before I came, I'd pull out my cock and plow it deep inside her and she'd grunt as it entered deep into her wet pussy hole. Then I'd fuck her brains out until I filled her pussy with my cum. And then we'd go at it again…

Then one day I went over to her apartment and she was moving out. Headed back east to be with her ex. As she left, so did the best pussy I ever had. Don't cry for me, Chicago. I'll be back.

Frank, Chicago

Hi guys...

I just had to write and tell someone that I just had my first anal experience. And it was just as I imagined. Soft, warm and deep. I think it was good for the girl, too.

I was in Atlantic City with my buds and they treated me to some fun after we won a couple thou at a video poker machine. We called an escort service out of the phone book. and an hour later she was knocking at our door. She did me while they watched. After all they wanted to get their money's worth. Well, after about thirty minutes of blow job and some fucking, she pulled out some lube and soaked her butt crack with it.

I slipped on a condom while she slipped a finger, then two in her ass to get it ready. Then she wiggled her finger at me and motioned me over. She got on all fours and dropped down on her elbows, butt in the air. She was near the edge of the bed, just the right height, just the right position. I got closer and guided my dick into her butt hole.

She told me to just do the tip first so she can get used to it before going deeper. I did, then she backed herself onto, my pole and it was just sucked right in almost to the balls. Then I started pumping her harder as she grabbed my balls between our legs and squeezed them as I was cumming. After I came, I pulled out and took the rubber off. She quickly dressed and gave us all a peck on the cheek and just like that, she was out the door.

Terry, Baltimore

Dear Editor:

Just a little poolside story your viewers might like. As I floated around the pool I could see her getting something from the fridge. In another moment she joined me, holding two glasses of wine. She came down the steps into the water, leaving the glasses on the side. She slid her suit off and threw it to the side. We both just floated for a moment, letting the heat escape us.

I sipped and watched her swim around, noticing the way the moon shone on her wet skin. I've always told her how beautiful she was by candlelight, but it goes double for moonlight. "Come over here," I said. She stopped and looked at me, dove under the surface and came up in front of me. She moved between my knees as I poured a stream of wine onto my cock and let it run off.

She got the idea right away and squatted down in the water and let the wine run into her mouth. Then she licked the last drops of wine from me and sucked my cock into her mouth. Now that I was between her lips, she started moving up and down on my shaft, stopping to suck hard on the head now and then. It was heaven watching her suck me in the moonlight, with a look of intense concentration she gets when she goes down on me.

I stopped her before I came. I ran to the other side of the pool, grabbed a floating lounge, and threw it in the water. "Climb on," I told her as I got into the water. She got herself onto the float as I swam next to her. I grabbed her ankles and pulled her slightly off the seat, giving her some room to spread her legs. Then I just sailed my face into her snug little harbor and began to lick. I sucked her clit into my mouth, rolling it over my tongue. I was rewarded with a hot splash of cum on my chin as she came on my face. I pulled her into my arms and kissed her. I could still taste the wine on her lips. Exhausted, I let her legs down into the water and we slowly swam to the steps. We shared her glass, holding each other and looking at the stars and moon.

I've made so many friends because of my smile and met so many men because of it. But it's my tight All-American body that men really love. Tight, firm boobies, nicely trimmed kitty and the cutest ass this side of Brooklyn. And I know how to use them all.

two plus one make it fun

i thought i liked girls until a big cock came by

I was a star basketball player on my college girl's basketball team. At five-nine I was pretty tall for a girl, but not as tall as some of my teammates. I was the shooting guard and made all-conference as a junior. My best friend from the team was a senior. She was six feet tall. Most of the girls on the team had tried girl-on-girl sex and I knew that Tara had already slept with a couple of the girls on the team. So far I had not been approached by any of the girls. I didn't know why but I really wanted to be with Tara for my first time with a girl. I had short dark hair with some purplish streaks in it, and my legs, everybody says, are shaped like model's legs. They tell me I am pretty. My breasts are a bit small but they're firm and sit nicely on my chest. I hadn't dated much because I was so much taller than any of the boys my age. I liked to read sex stories on the internet and look at pictures of women and men. I hadn't decided if I was a lesbian yet, so I wanted to try both.

I loved taking showers with the team and noticed several of them had shaved pussies. I started shaving mine and found I really liked it that way, too. Tara shaved hers. Her pussy was beautiful. She bent over once and her lips were full and her little rose bud winked at me. I wanted so much to lean over and kiss it. She stood up and smiled at me that day and I almost melted. She called the next day and asked if I wanted to spend the weekend with her. Tara said she would pick me up and I hurried to pack. I wore my shortest skirt and my blouse was white and you could see my bra. I wore red panties because I knew it was her favorite color.

She drove her car into the driveway and I ran out with my bag ready to go. She opened the door for me and we took off. She was wearing shorts and a halter top with no bra. She was so sexy. Her hair was long and jet black. Her skin was tanned and smooth. We got to her house and she introduced me to her two roommates. Erick was tall – probably six foot four or so. Margo was also over six feet and as beautiful as Tara. Erick took Tara in his arms and hugged her and then took me and kissed me on the cheek and hugged me tight. I blushed a little and Margo laughed and said he has a great weakness for tall girls. She took me in her arms and kissed me lightly and said 'I do too.' I blushed again and Tara grabbed me and pulled me upstairs. I didn't know what to think and Tara just laughed and said she had a very open minded household.

Her bedroom was beautiful with a king sized bed, matching dresser and a full length mirror. She laid back on the bed and asked me what I wanted to do. We could go dancing of just hang out and watch movies. I really wanted to spend some time with her alone so I said let's watch some movies. She grinned and said I hoped you would say that. She had a TV and dvd

player on a table at the side of the bed. She said 'watch this' and turned on the TV. The living room downstairs was on the screen and Erick and Margo were kissing on the sofa. She told me that they had little cameras all over the house. They had been broken into several times, so they installed them to catch whoever was doing it. They caught the guy the next week but just left the cameras where they had installed them.

Back on the TV, Margo was rubbing Erick's crotch and my eyes must have been bugging out because she laughed and said if I wanted to watch more, they will not mind, they knew they were on camera. I said sure and she pulled me into the bed next to her and we laid back watching as Margo pulled his pants off. His cock was huge. At least nine inches long and very thick.

Tara said watch this and zoomed in for a close up. Margo leaned over and licked the precum off the tip and sucked the tip into her mouth. I was getting very wet and so was Tara as we watched her suck him deep into her mouth. It was so hot watching them and I could see him tense up and he grasped her head and started fucking her mouth as he exploded into it. She did not lose a single drop as she sucked him dry.

Tara pulled me to her and said they want to watch us now and kissed me softly on the lips. The thought of them watching made me even hotter and we kissed and took each others clothes off. Her hands were all over my body as I moaned and felt my body shake. She kissed my breasts and moved down between my legs. She lifted my legs and pushed them back as she began to lick and suck on the lips of my pussy and down to my ass. I couldn't help myself as I came a little when she pushed her tongue into my ass. She then moved to my pussy, licked deep into me and finally attacked my clit.

Her fingers were deep in my pussy and ass as she sucked and nibbled on my clit. I came so hard that I kinda passed out. When I woke up all three of them were standing over me. Tara was standing there with a worried face. I smiled up at them and said that was awesome. They all laughed. Tara took me and kissed me saying I had scared her and her roommates, who had been watching, came up to reassure her that I would be okay. Erick was standing there nude and his cock was still pretty hard. Margo saw me looking at it and took my hand and put it on his cock. Instinctively I started stroking it and watched it get bigger. Margo pulled Tara to her breasts and Tara started sucking on one of them. I licked the tip tasting the precum and licking around the tip. He laid back on the bed as I started licking up and down the length of his cock. It seemed to get even bigger the more I licked it. I took the tip into my mouth, sucking on it as I ran my tongue around it. I loved the feel of his cock in my mouth and I started sucking it deeper and harder.

I felt a tongue on my ass and looked back. Margo smiled at me as she licked up the crack of my ass. I went back to sucking Erick's cock as I felt her tongue enter my pussy from the back. I tried pushing my tongue into the slit on the head and he moaned as I probed it. Tara set on his face and I could see his tongue licking her clit. I felt Margo's tongue in my ass pushing in deep and I moaned as I sucked him in as deep as I could. I came again as she licked me deeper in the ass while pinching my clit with her fingers. She replaced her tongue with her fingers and fucked my ass with them. Erick moved my head down to his balls. I sucked them into my mouth licking them while stroking his cock with my hand. Tara moved down and started sucking the tip of his cock as I licked his balls and ass. I could tell he loved it when I licked his ass so I pushed my tongue into him as he moaned real loud. I could see Tara taking him deep into her mouth as I tried to push my tongue deeper into him. He pulled Tara off of his cock and lifted me up and set me down on his cock. His thick cock filled me at once.

Tara was kissing my breasts as Margo was kissing me on the mouth. I started moving up and down on him

with him moaning that he was going to cum. He started fucking me harder, thrusting deep into me. It hurt a little but the pleasure was so great I came over and over as he filled me with his cum. I laid back smiling that it was so wonderful. I wanted to go down on Tara so I laid her back and started licking her pussy. It was wonderful as I explored her pussy with my tongue. I couldn't get enough of her as I licked her clit, sucking it into my mouth. I pushed my fingers into her slit and ass as I licked and sucked on her pussy and clit. Her roomies broke away and watched as I pleasured her. She came over and over as I licked and sucked all the juices out of her pussy. She pulled me up, kissing me hard as we lay on each other. The roomies exited the bedroom and left us alone. Tara and I made love all night long learning each other's bodies.

The next night after we woke up, Tara wanted to go dancing at the Near Ear Club. I said okay, not really wanting to go, but Tara insisted saying I would have a lot of fun. Margo said she would go into town and get us all something cute to wear. Erick came in a moment later and asked what was going on and Tara told him what we had planned. He said we'd have a ball. He then asked me if I enjoyed last night and I told him I loved everything, He just smiled and kissed me.

It was still several hours before we were to go, so he asked us if we wanted to watch a film with him. Tara said she couldn't right now but I could if I wanted to. We went into the den and sat on the sofa as he started the movie. Appropriately, the movie was about a cheerleader and a basketball player. They were making out in the gym when the rest of the team came in and caught them with his hand in her panties. I was getting excited when they took off her clothes and she started sucking one of them. Erick pulled me over to him and I started rubbing his cock as we watched. I took his cock out of his pants and started licking it. I sucked the slit and licked all around his cock. The TV girl was being fucked doggie style while sucking another guy. Erick was rubbing my breasts and pussy through my clothes. I was sucking him deep into my mouth as the TV girl was taken from behind and her ass filled with those big cocks. She was loving it as she was fucked hard in the ass. Erick pulled me up to his face kissing me and asked if I liked that. I told him I had never tried so he said let me. He stripped me and made me stand up in front of him with my ass to him. He bent me over and started licking my pussy and ass from behind. It was wonderful as he pushed his tongue deep into my ass while rubbing my clit.

I could feel his tongue licking around my pucker. I was ready to do anything he asked as he pushed one finger deep into me and then two as he fucked my ass with them. He pulled them out and I felt the tip of his cock on my ass as he rubbed it into my butt crack. He first pushed it deep into my pussy and I groaned as he fucked me, pushing it deeper into each time. I started cumming when he pulled out and I felt it push into my ass. At first it hurt as he pushed deeper a little each time. As he pushed, I pushed back as it started feeling good. He started moving faster and I looked up and Tara was watching us fingering herself. Tara came over and spread her legs in front of me and I started licking and sucking her pussy as Erick fucked me harder. I could feel his balls hitting my pussy. Tara moved behind Erick and rubbed his ass cheeks, maneuvering her fingers into his butt crack and deftly into his hole. She finger-fucked his butt as he was filling my ass with cum. She pulled her finger out and massaged his balls from behind, coaxing every last drop out of him and into my ass.

Exhausted, we three sat back on the sofa and turned off the TV. A minute later Margo walks through the door singing and carrying lots of pretty shopping bags.

"It's time to party, bitches!" she screams.

you'll like my cream pie

"Haley, we're sure you taste sweet."

Yes I do. I've been told by many a guy that my pussy tastes like apple pie. And it does because, promise not to tell, I have a special blend of douche made that has apple fragrance in it. Not too much, don't want a heavy smell or an irritating liquid. It's my little secret, so please don't tell the guys. Leave that for me.

"Jaime, are you a model?"

That's funny, No, I'm not. At least professionally, although I did do a junior miss catalog shoot when I was younger. That's where I first got used to the camera. Now I like posing in front of it and hope one day to be behind it. I hope you like my pictures and video. I think I do my best cock-sucking and fucking when the camera's on.

I model just for
